MATTER

August 18, 1949.

Dear Tiny:

I have your letter of August 4 and am sending on the Nuremberg papers by boat mail. I have not read this vast compilation and do not know whether you figure on these papers or not.

It is unfortunate that K is staying on with Military Government. I wish I had known this a few days ago as I spent an evening with Jack McCloy during his brief visit here.

If Weizsacker's son turns up, I should be glad to see him. I always thought the trial was a mistake and hope that something can be done about it. I shall see what I can do in this direction.

Now that the elections are out of the way, I hope that a constructive, peaceful period may lie ahead although I suppose that is too much to hope for. I mentioned you to McCloy when he was here but shall follow this up with a letter. When do you go to Frankfurt?

As ever,

H. B. Gisevius, Esq.,
Commugny sur Coppet,
Vaud, Switzerland.
